

Wildland Fire Assistance

- Train personnel
- Form partnerships for prescribed burns
- State & regional data for fire management plans
- Develop agreements for DoD civilians to be reimbursed on NIFC fires if necessary

Report Documentation Page				Form Approved OMB No. 0704-0188	
Public reporting burden for the collection of information is estimated to average 1 hour per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to Washington Headquarters Services, Directorate for Information Operations and Reports, 1215 Jefferson Davis Highway, Suite 1204, Arlington VA 22202-4302. Respondents should be aware that notwithstanding any other provision of law, no person shall be subject to a penalty for failing to comply with a collection of information if it does not display a currently valid OMB control number.

National Wildfire Coordinating Group Interagency Cooperation

Federal and State Participating Agencies

FEMA

National Interagency Incident Management System (NIIMS)

Sets mutually agreed on minimum standards (skills and terminology) to which member agencies adhere when cooperating across agency jurisdictions.

Incident Command System (ICS)

Wildland Fire Qualification Subsystem
- a.k.a. Red Card Qualifications

Course Requirements

OJT Requirements

NWCG local line officer certifies each person & issues a
NWCG Incident Command System Qualification Card
a.k.a. Red Card

Boise, Idaho

National Interagency Fire Center

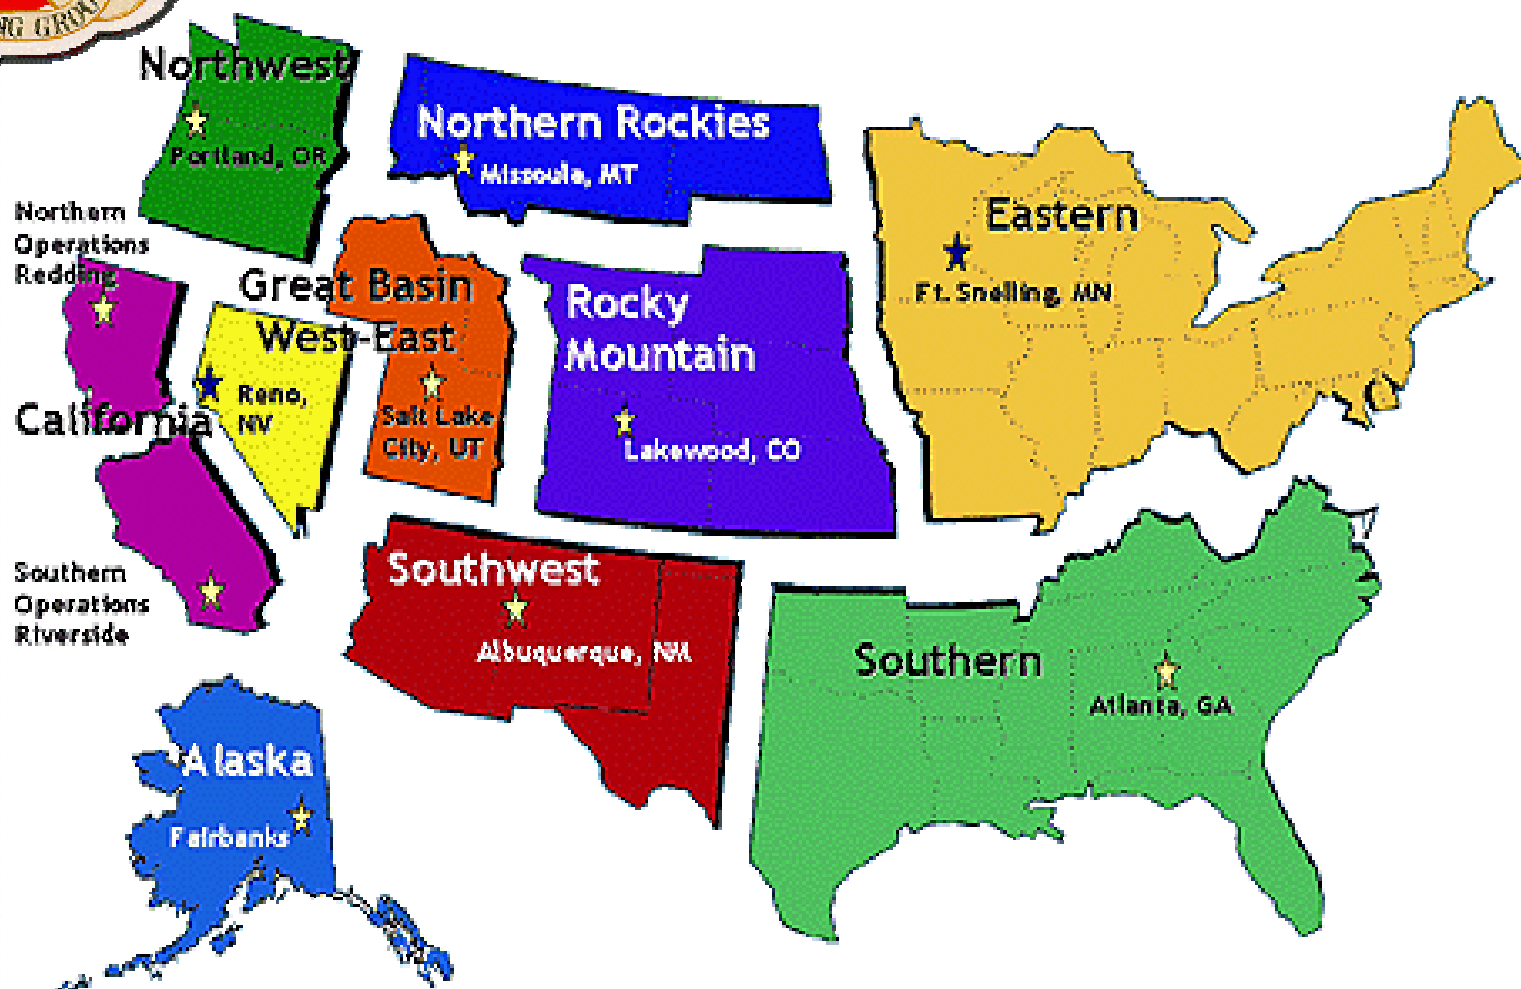

<http://www.nifc.gov>

National Interagency Coordination Center (NICC)

11 Geographic Area Coordination Centers (GACC)

Geographic Area Coordination Centers

All responsibility is local. The local agency office informs the Geographic Area Coordination Center (GACC) what resources the local office will make available and when.

Requesting unit calls GACC.

If GACC cannot fill order, it contacts National Interagency Coordinating Center (NICC). NICC sends request out to the other GACCs

What do you need?

- A Cooperative Fire Agreement
- Reimbursement Process
- Training Qualifications
- Annual Operating Plan

Aerial view of the fire line along Route 15 near Miramar Air Station.

Wildland Fire Management Plans

Prescribed Fire

Goals at Fort Drum: Maintain open areas for military training and enhance wildlife habitat.

- Design burn plans and conduct burns on several thousand acres;
- Conduct training;
- Maintain fire qualifications.
